Thanks. Todd will provide information regarding the Colorado Goldfield's test hole and a statement from Todd that he did not conduct operations. I was expecting a request on this and never received one. Receipt of such request should help move the negotiations along. Please send it over.

Dave – I forwarded your confirmation of meeting at 9 am on Monday to Steve. He has not positively confirmed but I know he was the one that suggested Monday or Tuesday for the meeting, so we should be good. I have reserved a room for the meeting in EPA's conference center.

Dave – Steve Way ask that I contact you and try to set up a time for the meeting next week on the 2nd or 3rd and to send to you the Addendum EPA would like Todd to sign extending his consent for access until the end of 2016.

In regards to a meeting time, I have left my calendar wide open for both days and I believe Steve has done the same. So let me know what time works for you and Todd.

Thanks
